Droplet guard system

Cough, spit and sneeze guard,
tailored to your requirements

RK Rose+Krieger has developed a droplet guard system which can be adapted easily and individually in size and design to suit your local conditions. Thanks to transparent plastic plates, you and your customers are protected. Whether it's a stand-up model for counters, partitions suspended from the ceiling or larger partitioning systems for checkout areas – everything can be implemented quickly and simply.

Areas of application:

- Hospitals, medical practices, pharmacies
- Groceries, concession stands and market stalls
- Reception areas, authorities, banks, open-plan offices
- ...and many more

Features:

- Simple setup and quick assembly, stable, optimised weight
- Easy to clean
- Flexible dimensions and versions available for delivery
- Short delivery times and very good service
- Special versions (panels, colours, fastenings, special dimensions) available for delivery

Our product specialists
are happy to assist you.
